INTRODUCTION OUR MATERIALS

At the heart of BANCCI's design philosophy is the meticulous curation of materials, where every element is chosen for its distinct look, feel, and quality. We bring together hardwood timber, timber veneer, fabrics, woven materials, leather, metal finishes, and natural stone to create a cohesive collection that embodies the essence of BANCCI.

Each material is inherently BANCCI, boasting neutral tones, timeless appeal, and a commitment to excellence. We carefully select and pair these materials, ensuring that every piece tells a unique story and leaves a mark of sophistication and style in your unique spaces.

MATERIALS

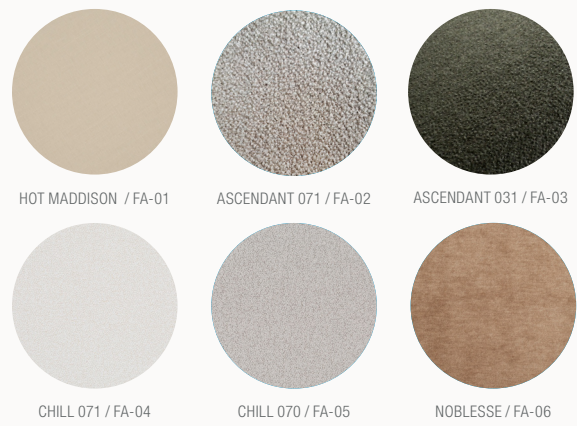

TIMBER

Crafted from solid timber meticulously chosen from our esteemed accredited partners, each piece tells a unique story. Natural variations, including visual grain and knots, create a distinct character, showcasing the artistry of timber cuts and varying species.

VENEER

Our timber veneer finishes are a harmonious reflection of our solid timber selections. Selected with precision, they echo the natural beauty of the wood, mirroring visual grain and knots with authenticity. Variations in each piece attest to the individuality of timber veneer cuts and species.

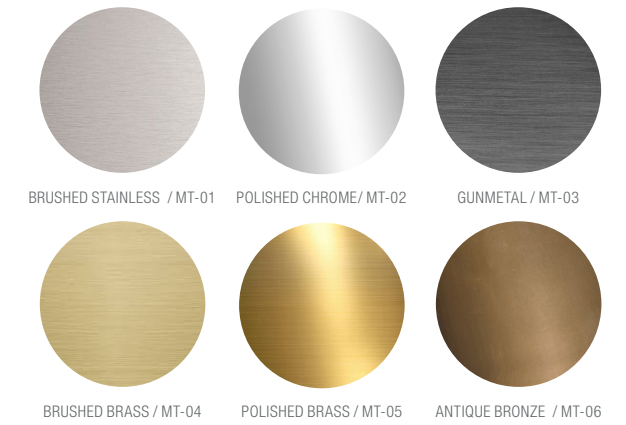

FABRIC

Fabrics are meticulously chosen for neutral tones, soft natural feel, and modest texture. Specially curated to evoke a minimalist, elegant, and timeless ambiance, these fabrics seamlessly complement our timber. Premium in quality, material, and longevity, they add a touch of luxury to your Bancci experience.

WOVEN

Our woven fabrics boast natural variations, a testament to the intricate weaving process that adds character and depth to each piece. The uniqueness arises from the artful interplay of threads, creating textures that resonate with Bancci's distinctive style.

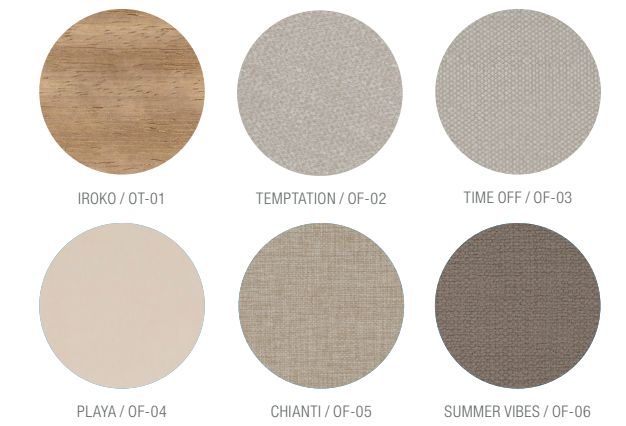

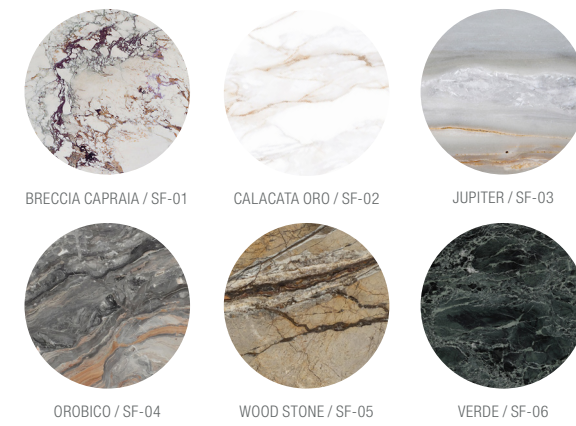

LEATHER

Handpicked for inherent quality and timeless appeal, our leather selection embodies the essence of luxury. The richness and sophistication provided by carefully chosen leather ensure a touch of opulence.

METAL

Our metal finishes epitomise sleek sophistication and modern design. Premium metal accents add an industrial chic touch and efficient edge to our meticulously crafted pieces.

STONE

Discover the elemental allure of natural stone, each piece as distinct as the Earth from which it originates. The intricate veining and variegated patterns subtly unfold, creating a captivating visual narrative. Curated stone options elevate Bancci creations, embodying the timeless elegance inherent in the very foundation of our planet.

OUTDOOR

The beauty of specially selected timbers and fabrics can be enjoyed outdoors with our curated collection of resilient yet beautiful materials. Uniting durability with aesthetic appeal, our outdoor materials ensure that your Bancci pieces extend seamlessly into the open air.
