PRODUCT CARE AND MAINTENANCE

All BANCCI products are designed for longevity after they are purchased. We recommend care and attention is given to ensure products maintain their appearance for years to come. Important considerations such as the placement of the product, its exposure to heat and humidity which may cause fading (in fabrics) or expansion and cracking (in timber). Avoid placing in direct sunlight where possible. Outdoor products, particularly those placed in coastal areas, require particular care and attention with regular cleaning. If possible, place products in covered outdoor areas, and covered with weather resistant coverings when not in use. Metal and timber will naturally discolour with the weather.
