

BANCCI®

Simplified Luxury

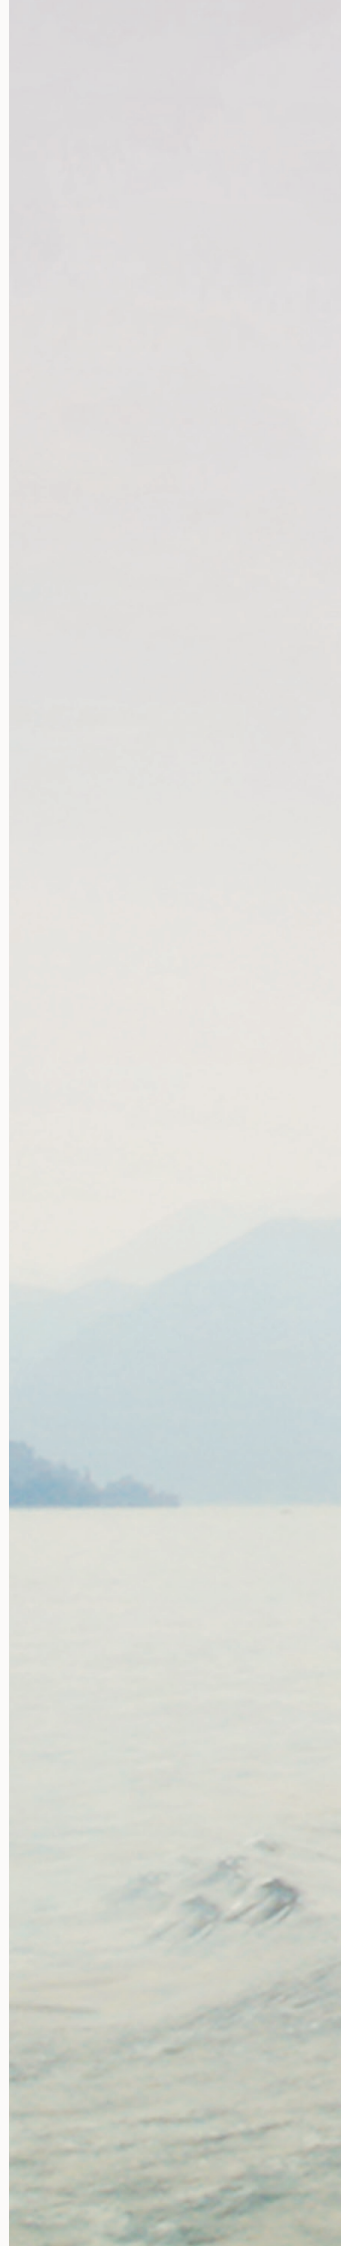

ABOUT US

BANCCI is more than a brand —
it's a story of transcendent design.

Our pieces elegantly blend global inspirations, fusing luxury with nature to create timeless elegance and comfort. Crafted with excellence in England, we harmonise century-old techniques, premium materials, and luxurious textiles, driven by sustainability to ensure a lasting legacy.

Our modular style seamlessly merges diverse inspirations, creating a refined ambience. From visionary designers to skilled artisans, each piece embodies boundless love and energy.

With minimalist designs in neutral tones, our furniture becomes your canvas for personal expression.

CURVA SOFA

The Curva Sofa is a testament to BANCCI's commitment to blending the beauty of the natural world with the elegance of modern design. Inspired by the soothing and organic flow of gentle waves, this fixed sofa showcases sweeping curves that create a visual masterpiece. These curves reflect the harmony and serenity found in nature, transforming your living space into a haven of relaxation.

Its generous proportions ensure ultimate relaxation, enhanced by oversized loose backrest cushions that offer flexibility in comfort. You can tailor your seating experience to perfection, choosing between two seat padding densities: medium and soft.

LUNA ARMCHAIR

The Luna Armchair takes its name from the Roman Goddess of the moon, drawing inspiration from the celestial beauty and tranquillity she represents. This classic club chair goes beyond mere seating; it's a sanctuary in its own right, offering an encompassing hearth-like embrace that invites you to unwind and envelop yourself in comfort.

Crafted with meticulous attention to detail, the Luna Armchair features a leather shield that encapsulates the back and sides, evoking a protective barrier that cradles you in luxurious comfort. Whether you prefer a fixed or swivel base, the Luna Armchair is a versatile addition suitable for various settings, including hospitality and marine environments.

LEAF DINING TABLE

The Leaf Dining Table is a harmonious blend of nature's grace and artistic design. Inspired by the enchanting fall of leaves, this table boasts two soft leg elements intertwined like falling leaves, creating a visually captivating tableau.

Designed for both aesthetics and comfort, the table features a softly profiled perimeter edge, ensuring a luxurious and comfortable dining experience. At the heart of the design lies a contrasting deep texture inset panel, adding sophistication and a unique character to the piece. Crafted from sustainably sourced timber, this table not only brings the beauty of nature indoors but also reflects our commitment to responsible craftsmanship.

CYGNUS DINING TABLE - RECTANGLE

The Cygnus Dining Table derives its name from the celestial star within our vibrant Milky Way, inspired by the graceful, swan-like curvature of its legs. This exquisite table boasts smooth edges with soft contours, ensuring perfect proportions for family and socialising spaces, creating a sophisticated atmosphere that elevates any gathering. Complementing these soft lines is a contrasting textured inner detail panel, which eloquently expresses the natural beauty of the timber grain.

The Cygnus Dining Table features a cast metal connector at the base legs, where the elegantly curved bentwood timber legs converge. With its rectangular design, this table comfortably accommodates six to eight people, making it the perfect centrepiece for elegant and intimate gatherings.

CYGNUS CIRCULUS DINING TABLE

The Cygnus Circulus Dining Table is aptly named after the celestial star in our vibrant Milky Way due to the graceful, swan-like curvature of its legs. Crafted with meticulous attention to detail, this circular table seamlessly blends smooth edges with soft contours, ensuring comfort and a sophisticated atmosphere. The contrasting textured inner detail panel beautifully expresses the natural timber grain, adding a touch of character.

At the base of the Cygnus Circulus table is a 3D printed metal connector, anchoring the elegantly curved bentwood timber legs and reinforcing structural integrity. With a round table top design, this table comfortably accommodates four to six people, making it the perfect centrepiece for gatherings.

TITAN DESK

Drawing inspiration from the enduring might of the Titans, this desk skillfully blends proportion, stability, and balance. Its floating writing top not only elevates your workspace but also connects you to a higher state of productivity, infusing your surroundings with vibrant energy. The soft curves of this desk create a sense of flow and movement, infusing your space with both power and harmony.

Crafted from consciously sourced natural walnut, the Titan Desk adds a touch of elegance to your office space, showcasing the distinctive patterns and tones in the wood that make each piece unique. The integrated pedestal, complete with a pull-out printer drawer and integrated cable management, optimises your workspace, providing efficient storage and an uncluttered aesthetic. Choose from a variety of linoleum or leather inset writing tops, both ensuring that the elegant aesthetic of this desk will last a lifetime.
